

Posted on January 15, 2016 by Lakes motorcycle club

Unfortunately due to the rain AGAIN (just like last year!), we have to cancel the Lakes MBC Practice day we had planned for Saturday 16th January. We cannot get the machines on the track today to finish the track prep. We are all very disappointed as we were looking forward to it. Camping is no longer available tomorrow.

At this stage, the practice day being held by Race Pace is still going ahead on Sunday. If you have any questions about Sunday's practice day you need to contact Michel at Race Pace.

Regards

Lake Macquarie Motorbike Club Committee
